Response to Office Action

In response to the Office Action dated 2/3/04, please enter the following remarks and Terminal Disclaimer.

The Examiner has objected to the Title. The Examiner is hereby authorized to execute an Examiner's amendment to that which he believes is a more descriptive title.

The Examiner has rejected Claims 1-9 under the judicially created doctrine of double patenting over Claims 1-4 of U.S. Patent No. 6,569,828. The enclosed Terminal Disclaimer to U.S. Patent 6,569,828 overcomes this rejection.

The Examiner is respectfully requested to remove his rejections and objection and pass to issuance Claims 1-9.

Respectfully submitted,

Bernard Lieberman
Attorney of Record (Reg. No. 26,194)
